

**SCIHEALTH SELECTED
AS 2008 RECIPIENT OF TOP 40
INNOVATIVE TECHNOLOGY
COMPANIES IN GEORGIA**

Atlanta, GA (February 21st, 2008) — Atlanta-based SciHealth Inc., was honored to be selected as one of the "2008 - Top 40 Innovative Technology Companies in Georgia" by the Technology Association of Georgia. "Our congratulations to **SciHealth** for making this year's Top 40 list," said Tino Mantella, president of TAG. "Nearly 150 companies applied this year, the highest in the history of the Top 40 program."

"We are very humbled to be part of this select group of technology leaders within our state," said SciHealth COO, John Stigaard. "We are also deeply thankful to our customers, partners and employees for making our selection possible."

The "Top 40" companies are selected by their ability to meet criteria including; degree of innovation, scope and financial impact of innovation, likelihood of success, and promotion of Georgia's innovative efforts nationally and internationally. Eligible companies are Georgia based, and whose offerings are technology focused.

About TAG

The Technology Association of Georgia (TAG) is a non-profit organization whose mission is to support its members by generating opportunities for personal, professional and business growth. By forging strategic alliances, TAG serves as a primary catalyst to foster a rich environment for economic development in Georgia's technology community.
